G'day Trendsetters,

Another month gone, and it's been a busy month.

From all reports received, it was a successful Nationals. Congratulations to all the winners and the recipients of Gold and silver certificates.

And then the following weekend it was the Hardtop Anniversary being held in Tasmania. Approximately 120 hardtops, consisting of Falcons, Cobras and Landau's, caught the Spirit of Tasmania from the mainland to meet up with the 60 Hardtops in Tasmania. I'm told it was a great experience.

And finally the GT club monthly cruise. This month destination was the Pritoria Hotel at Mannum after an excellent drive through Nairne etc and onto the Old Princes Highway.

The hotel carport was reserved for our cars - feeling special - and then a lovely lunch.

As usual the cars were a draw card for the locals with a potential member showing lots of interest.

A big thank you to Karen and Bryan for another great day out.

At the meeting, a few ideas were tossed around regarding fund raising for events eg, GT wines, raffles, merchandise etc. Karen and Dina are on it.

Enough waffle from me,  
see next meeting,  
Karl 0408351391

It has been quite a busy past few weeks for some of our members, having made the journey to Shepparton for the GT Nationals. From all reports based on FB feeds, it appears to have been a successfully conducted event by our friends in the GT Club of Victoria (Australia).

Special mention must go to **Michael Stavrides**, our very busy Secretary, on winning best unrestored XW GT HO and **Angelo Efthimiou**, XB GT Sedan, winner, modified. Congratulations Michael and Angelo on achieving what must have been a well contested victory against other high profile XW GTHOs and XB GTs. Well done! Now we all look towards the next GT Nationals, which will occur in Perth in two years time.

At the same time as the Nationals, a little known small category racing series, the F1 Melbourne Grand Prix, also occurred. There amongst the large crowds, buried in a sea of 'duck face influencers' was Ford royalty (see pics)....and not a Chevy stand in this hemisphere. With Ford returning to F1 next year as a partner with Red Bull, it is great to see the blue oval reinforce it's history and involve itself in all categories of top end motorsport, squaring off with the likes of Ferrari, Mercedes, Aston Martin, and in some time and space,....*Cadillac?* LOL!

Keep on **GT**rand touring.

Cheers  
ED.

## Dick Johnson named latest Spirit of Ford award honouree

Dick Johnson has been awarded Ford's highest racing honour, with the legendary driver-team owner named the latest 'Spirit of Ford' honouree.

Johnson won five ATCC drivers' championships and three Bathurst 1000s between 1981 and 1994, all in Ford machinery with his eponymous team.

The 79-year-old was awarded the honour at Ford Performance's season launch in January, with Johnson joining a long list of legendary names.

Johnson joins the likes of Richard Petty, Mario Andretti, Sir Jackie Stewart, Jim Clark, Phil Hill, Stirling Moss and A.J. Foyt in receiving the Spirit of Ford.

Edsel B. Ford II, former vice president and board member of the Ford Motor Company, paid tribute to Johnson.

*"Dick Johnson means a great deal to me," Ford II said.*

*"Today, Dick Johnson is a Supercars and racing legend. He spent 22 seasons driving Ford vehicles, including winning five championships. He even had seven NASCAR Cup starts.*

*"DJR has won 10 championships and 148 race wins, but more importantly, it has become the face of Ford in racing in Australia.*

*"Dick himself has been a loyal, talented, witty, and intense competitor on the track as a driver, with the media and fans, and now as a team owner.*

*"Just as important, he is a treasured friend of mine and all of us at Ford."*

*Cruise to Pretoria Hotel  
Mannum*

*23 March 2025*

March cruise we headed up to The Pretoria Hotel in Mannum where they blocked off the carpark for private use for our cars.

Good attendance coming off the back of the GT Nationals in Shepparton the weekend before.

Great lunch, atmosphere, company and good drive through the back roads. Even though it did get a bit hairy driving through so many dead gum trees.
